Volunteer Program

Become a member of our team by volunteering here at the Gardens - it's a great way to get involved & learn about plants. Our volunteer orientation is held on the 4th Saturday of every month at 10:00am. No need to pre-register! We look forward to seeing you next month!

Thank you for supporting USF Botanical Gardens!

Festivals, exhibits, and classes are offered year-round. Check website for a listing or call for more information.

DIRECTIONS

The Garden is located near the southwest corner of the USF Tampa campus, at the intersection of Pine and Alumni Drive.
From I-275, take Fowler Avenue east to Bruce B. Downs Boulevard and turn left. Go north one block to Pine and turn right. Go east one block to the first traffic light and turn left. Go north one block to the Garden entrance on the left.

USF UNIVERSITY OF SOUTH FLORIDA

BOTANICAL GARDENS

Invitation to Membership

USF Botanical Gardens

The University of South Florida Botanical Gardens is a non-profit, member-supported educational facility. The garden consists of six acres of landscape displays and greenhouse collections.

The Botanical Gardens serves the needs of the University community and provides education and research needs of the University community and provides education and recreation opportunities for the general public.

The mission of USF Botanical Gardens is to foster appreciation, understanding and stewardship of our natural and cultural

botanical heritage through living plant collections, displays, education, and research.
