

Some of the more popular spots for events in the Botanical Gardens are:

- *The Creighton Pavilion for larger events.
 This area is located just west of the shade garden and can accommodate 100 or more guests.
- *The Secret Garden for intimate groups. This area is located in the middle of the shade garden.
- *The Conservatory for small groups. This beautiful area houses our orchid collection in bloom. Weddings for 30 guests or receptions can be held in this tranquil space. For larger groups, canopies can be set up outside, with food and beverage buffet service set up inside the Conservatory.
- *Lake Behnke for large or small groups. This site allows the bride to come across the wooden bridge for a magical entrance.
- *Under the Trees for small to large groups. This shady area, located southeast of the parking lot, can accommodate groups of all sizes.
 - Please visit to see which area will be best for your event. The Gardens are open 7 days a week, except on major holidays.

One of Tampa's best kept secrets!

The 7-acre University of South Florida Botanical Gardens offers a peaceful and beautiful atmosphere - an oasis in the middle of the bustling Tampa Bay Area.

The Garden's collections and displays include ferns, orchids, tropical and sub-tropical flowering trees, aroids, begonias, citrus, bromeliads and more, all in a natural setting located on the southern end of Lake Behnke.

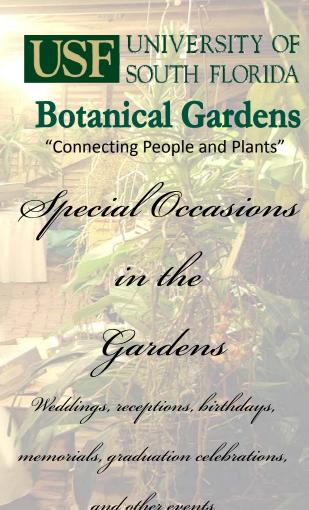

The Gardens has areas that can accommodate large groups, and more intimate locations for smaller gatherings. Please come by and tour on your own. Then call to set up an appointment with Kim Hutton for more information.

It is our pleasure to help you schedule your day at USE Botanical Gardens.
